

Instructions

- ☆ Decide who will be the quiz master - whoever is the quiz master will read out the questions and answers. Only the quiz master should see the question and answer sheets.
- ☆ Everyone else needs to print and cut out each of the colours individually. If you do not have a printer, write each of the colours down on separate bits of paper.
- ☆ The quiz master will read out a question. Everyone else should then look at their card and see which colour they think is the correct answer to the question. (Do not show anyone just yet)
- ☆ Once everyone is ready, the quiz master will ask everyone to show their colour and will let you know the correct answer.
