

Simon Says

- ☆ Pick someone to play the role of 'Simon'.
- ☆ The person playing Simon will give everyone else individual actions that they must do. E.g. stand on one leg.
- ☆ The other players must only do the actions that begin with the words "Simon says." E.g. "Simon says touch your nose," everyone must touch their nose. If the instruction does not begin with Simon Says E.g. "Touch your nose" then you should not touch their nose.
- ☆ You can have the same person playing Simon for the whole game or you can take it in turns. See below for a list of actions you can use.
